Soldan High School—1909

Foreword

Here in this SCRIP published in 1959, 50 years since the founding of our school, we have endeavored to tell the story of Soldan—its past and present. The third aspect of this thought, the future, will be what we make of it. Just as the Soldanians of the past are the leaders of today, so shall we become the leaders of tomorrow. In the hopes that we will continue in the glorious tradition of Soldan, we here present the SCRIP.

Dedication

To gain knowledge is noble . . .
But to impart that knowledge
is to augment civilization,
To foster the leaders of tomorrow
. . . is nobler still.

We dedicate this SCRIP to the teachers of Soldan, past and present, to the educators who have made the fine tradition at Soldan possible, to those men and women who have given by their very lives a lesson for the youth of today and yesterday.

ST. LOUIS 8, MISSOURI

April 6, 1959

OFFICE OF THE PRINCIPAL

Congratulations to our efficient and talented editor, Miss Georgia Quick; to the members of the Yearbook staff and to the co-sponsors, Miss Elvira Grundmann and Mr. Karl Gasslander, for producing this Golden Anniversary Yearbook. We also appreciate the guidance, understanding, and assistance given by Mr. Harry Swain.

Our building may be a fifty year old edifice, however, without our students, alumni, faculty, and publications such as this Yearbook, it would lack life and meaning. I am happy that we are using the name of our original Yearbook, "The Scrip", because it helps to bring the past closer to the present. This issue should be valuable to all Soldanites, past and present, because of the articles written about the history and traditions of this proud school.

Because of the vast treasure of memories, we wish it would be possible for all students to possess a copy of the "Scrip" for 1958-'59.

Sincerely yours

Otto P. Rost
Principal

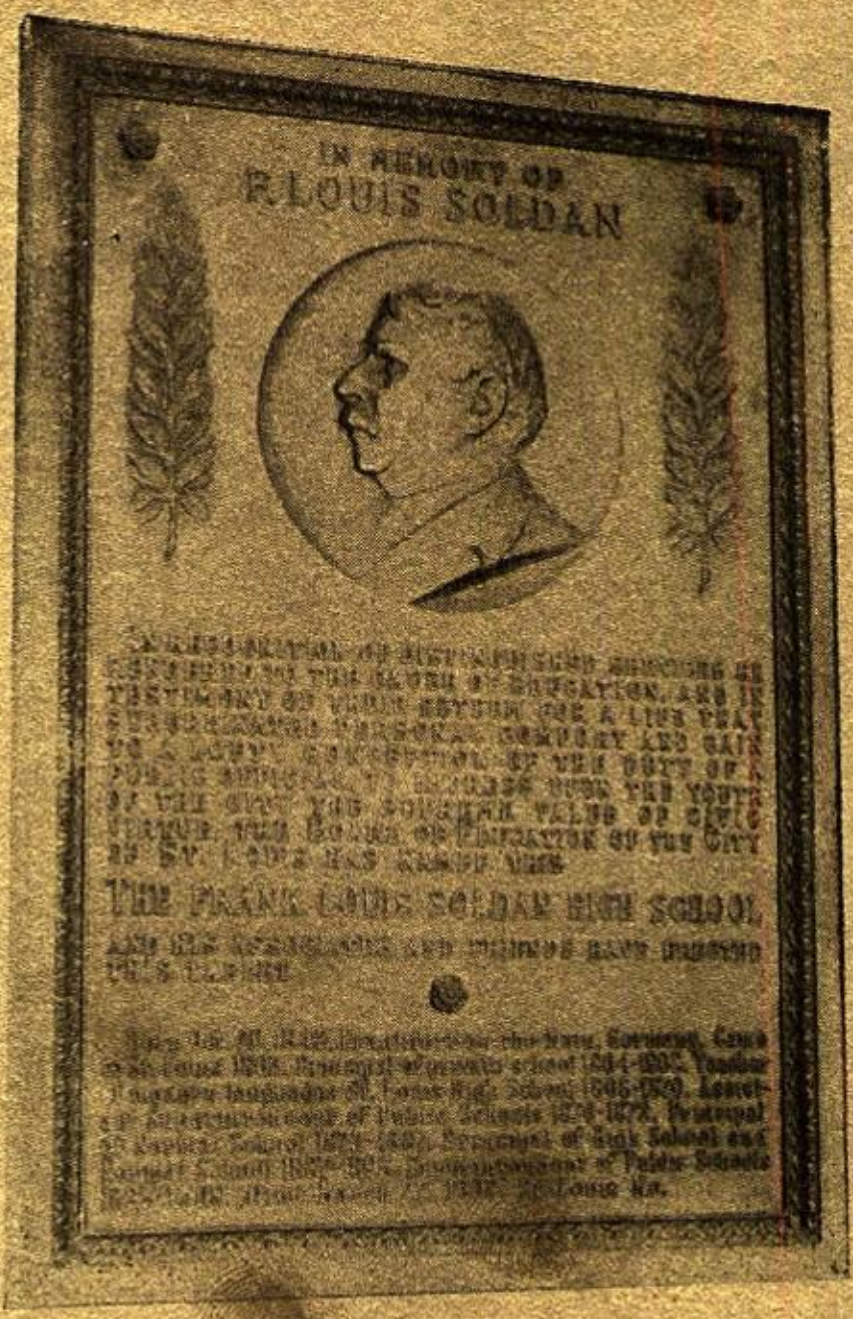
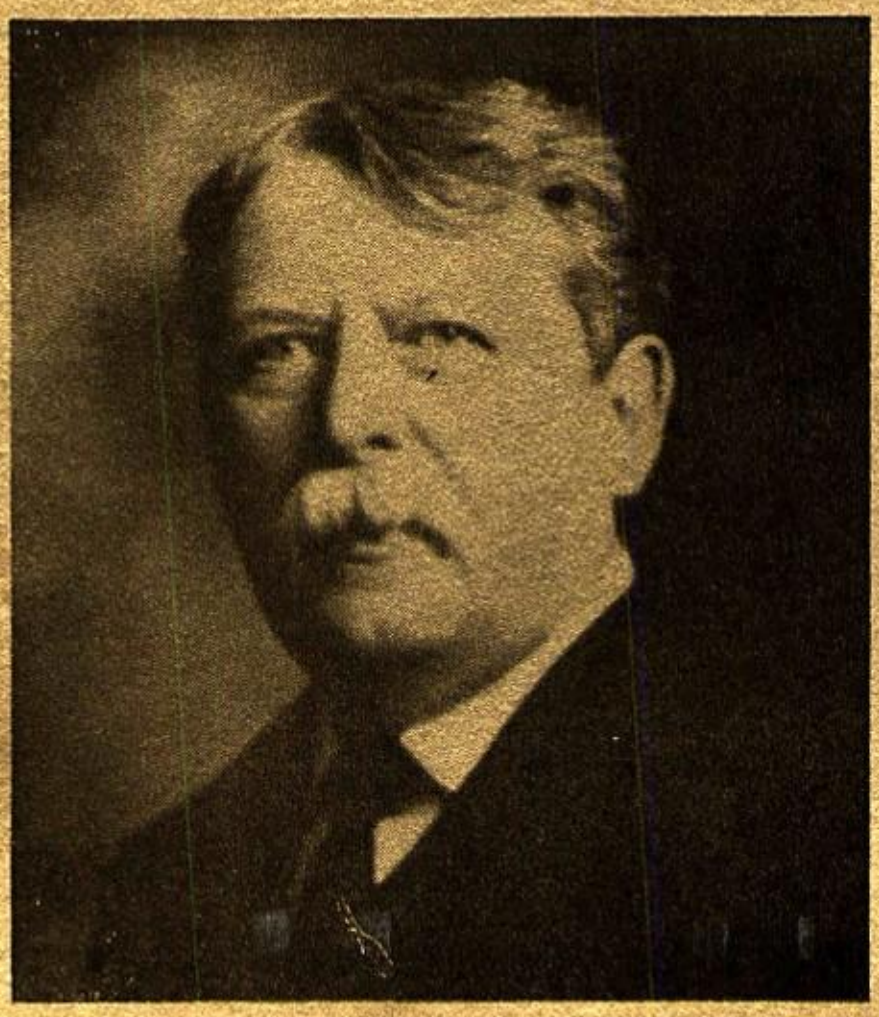
We Remember . . . . . 50 Years

In the year 1909 the incorporated city of St. Louis was one hundred years old and a busy river city. It had been only five years since the World's Fair here, and the Art Museum and Jefferson Memorial could be seen as reminders of this great event.

The year before a great man in the educational field had passed away. Dr. Frank Louis Soldan, the superintendent of the St. Louis Public Schools, had been associated with education since his arrival here from Germany in 1863. In 1869 he was appointed assistant superintendent and professor of modern languages at Central High School. He held successively the positions of teacher, assistant superintendent, principal of the normal school, principal of the high school, and superintendent.

We may speak of Dr. Soldan as the founder of this school. Long before the site was purchased and the plans for the building were begun, this school in its approximate location with its approximate appointments existed as an ideal in the mind of Dr. Soldan. Even the question of finding a name for this school was under his consideration a few weeks before his death.





Dr. Frank Louis Soldan

At the funeral services held in honor of Dr. Soldan, a member of the Board of Education said: "It will be the duty of the Board of Education to see to it that as his work his name shall not be forgotten." Two weeks later by unanimous vote the Board named the new school erected on this spot, "The Frank Louis Soldan High School." And so today we are members of an institution founded as a lasting monument to his memory.

Thus the school became the Soldan High School, and on September the eighth, 1909, it was opened to students for the first time. From eight o'clock until after nine a stream of students poured into the building. After they had a chance to explore, they were gathered into the auditorium for the first of the aud sessions which were to become the unifying element of the first days of the new school. All the students were juniors, and there was as yet no leader among them. The electric bells were not yet installed, and the hand-rung bells added to the feeling of newness in the school still filled with carpenters. From this seeming confusion came the school as we know it.

Traditions Activities Sports

The motto of the school was chosen by Mr. John Rush Powell, the first principal. He quoted from "The Canterbury Tales" by Chaucer. "Trouthe, Honour, Fredom, Curteisye" from the description of the knight became the motto of Soldan.

At this same time a committee of students and faculty members had chosen twelve different combinations of colors, one of which was to become the symbol of our school. Then the school body voted on the colors, and after an exciting vote the victorious colors, gold and brown, were hung in the hall for all to see.

The school was soon organized and the students began to wish for sports and clubs. It was at this time that extracurricular activities at Soldan began.

The clubs organized in the first years had many features which we do not think of today. Among these organizations were the Hiking Club, the Pickering or Astronomy Club, and the Mandolin Club. These were only a few of the interesting clubs. Today our list includes such activities as Chess Club, Science and Math, and Tumbling. The ideas are the same; tumbling and hiking for sport, science and math and Pickering for new knowledge, and chess and mandolin for pleasure.

Soldan has always been an outstanding school in the field of sports. In the very first year of its existence Soldan organized teams and in 1910 won both the tennis and swimming meets. In the year 1913 we won our first football championship. This was not the last time for our teams. "The Tigers" were champs again in '14, '19, '21, '25, '28, '29, '38, '40. The basketball championship was ours eight times and we led the league in tennis nineteen times.

History

Through the years many performances were given by our various music and dramatic groups.

Some of these were very great productions and one was even a St. Louis premiere. THE TEMPEST by Shakespeare was presented here in the year 1921 by the drama group under the direction of Miss Jennie M. A. Jones. This was the first time that the play had ever been presented in St. Louis. One other outstanding play was a Miracle Play given in the early years of Soldan. In this play angels were needed, so the thespians constructed a platform on scaffolding over the stage and the angels were thus shown "in heaven." Among the other plays presented were several Shakespearean comedies: AS YOU LIKE IT, TAMING OF THE SHREW, A COMEDY OF ERRORS, and a spectacular production of MIDSUMMER NIGHTS DREAM given in Forest Park in the year 1916 as a celebration of the Shakespearean Tercentenary.

The musical programs included MARTHA, THE FIREFLY, H.M.S. PINAFORE, NEW MOON, and NAUGHTY MARIETTA. THE MIKADO was given in 1929 as a part of the Twentieth Anniversary celebration.

Malvolio . . . Twelfth Night

Only five years after the opening of school the First World War broke out. Out of the number of Soldan alumni and undergraduates, nearly seven hundred boys joined naval or military service. Younger boys ineligible for military service joined the automotive corps of the Red Cross. The girls at home, by no means inactive, sold Liberty Bonds and rolled bandages. Some of the faculty worked as translators or as field workers in the medical corps. Let us not forget a bronze tablet which is in the corridor of the school. It bears twenty names—The Roll of Honor.

Soldan sons and daughters were to go through two more wars, helping, serving, and often giving their lives for their country.

In the year 1929 our school was twenty years old and a pageant was given to celebrate this anniversary. This presentation, MEMORIES OF TWENTY YEARS, was a story told in a royal manner depicting Soldan's history from 1909 to 1929.

History

It was in this year that Mr. John Rush Powell retired after heading our school for twenty years. He then became assistant superintendent of high schools. Mr. Stellwagen became principal and served until 1946, when he was succeeded by Mr. Ben Barr. At this time there were 3123 students ennrolled. Today there are 1582. The first year of the school there had been 1150.

In the autumn of 1948 the Blewett High School building was needed by Harris Teachers College. Therefore, Soldan and Blewett merged to form the Soldan-Blewett High School. Then the colors maroon and gold were chosen.

In 1950 one of Soldan's finest traditions originated. During the Korean War an outstanding Soldan graduate was killed. This man, Tom Lombardo, who graduated in 1941, was a star in three fields here at Soldan. He won many awards for outstanding skill in football. He had a brilliant mind. In every respect Tom was a gentleman. Two of his former classmates made it possible that Soldanians will not forget Tom Lombardo. They subscribed money for a plaque which now hangs in the hall at Soldan. Each year a name is added to it, honoring the boy who most lives up to the standards set by Tom Lombardo as athlete, scholar, and gentleman. There are now ten names on this plaque.

In 1954 Mr. Stanley Hill succeeded Mr. Ben Barr as principal; then Mr. Glynn Clark in 1956; Mr. Otto Rost in 1957.

In the year 1955 the school's name was changed back to Soldan.

In this same year a transition took place which we now consider part of our daily lives. The Supreme Court called it integration; we call it brotherhood.

This year of 1959 marks a new accomplishment in the Soldan record. The first Phillip J. Hickey Sportsmanship Award for football was presented to Soldan this year. We are particularly proud of this since it represents the combined efforts of the entire student body and faculty.

SENIORS

In the fifty years of Soldan's history there have also been fifty years of graduates. Among these have been men and women who have been successful in many different fields.

The feeling of being a senior does not change even as the years pass. There is always that thrill of participation in the activities, and the anticipation of coming graduation. The feeling of expectation is always there. One never knows what the future may hold, but it can always appear bright. This is the end of one life and the beginning of another.

So to these Soldan seniors of today and yesterday we dedicate the following section of this SCRIP.

Ambition: Naval Career

Senior Snaps

ADVISORIES

Advisories are an important part of school life. Through our fifty-five advisory groups much of the school's business is efficiently transacted.

Each morning before regular classes begin, the events of the day and of the near future are announced in the daily bulletin.

After the student is assigned to the track where he can achieve best, individual program planning helps him choose the most beneficial courses. In this, the advisor's aid is most helpful.

In the following section we present these advisories.

Advisories

MR. BERRY'S
Advisory

FIRST ROW: Clark, Bomar, George, Buckner, Whitfield. SECOND ROW: Bell, Scott, Dickerson, Pettus, Burns, Gray. THIRD ROW: Bradley, Joseph, Anzalone, Aldrich.

MR. BIEGELSEN'S
Advisory

FIRST ROW: Moore, Bryant, Levy, O'dell, Woerther, Hankins, Slawin. SECOND ROW: Grizzle, Johnson, Grant, Robinson, Hutkin, Quillian. THIRD ROW: Timpton, Gregory, Farer, Gresham, Carson, Mohrman, Sper. FOURTH ROW: Moore, Jackson, McKee, Phillips, Holmes, Kohlman, Preslar, Levin.

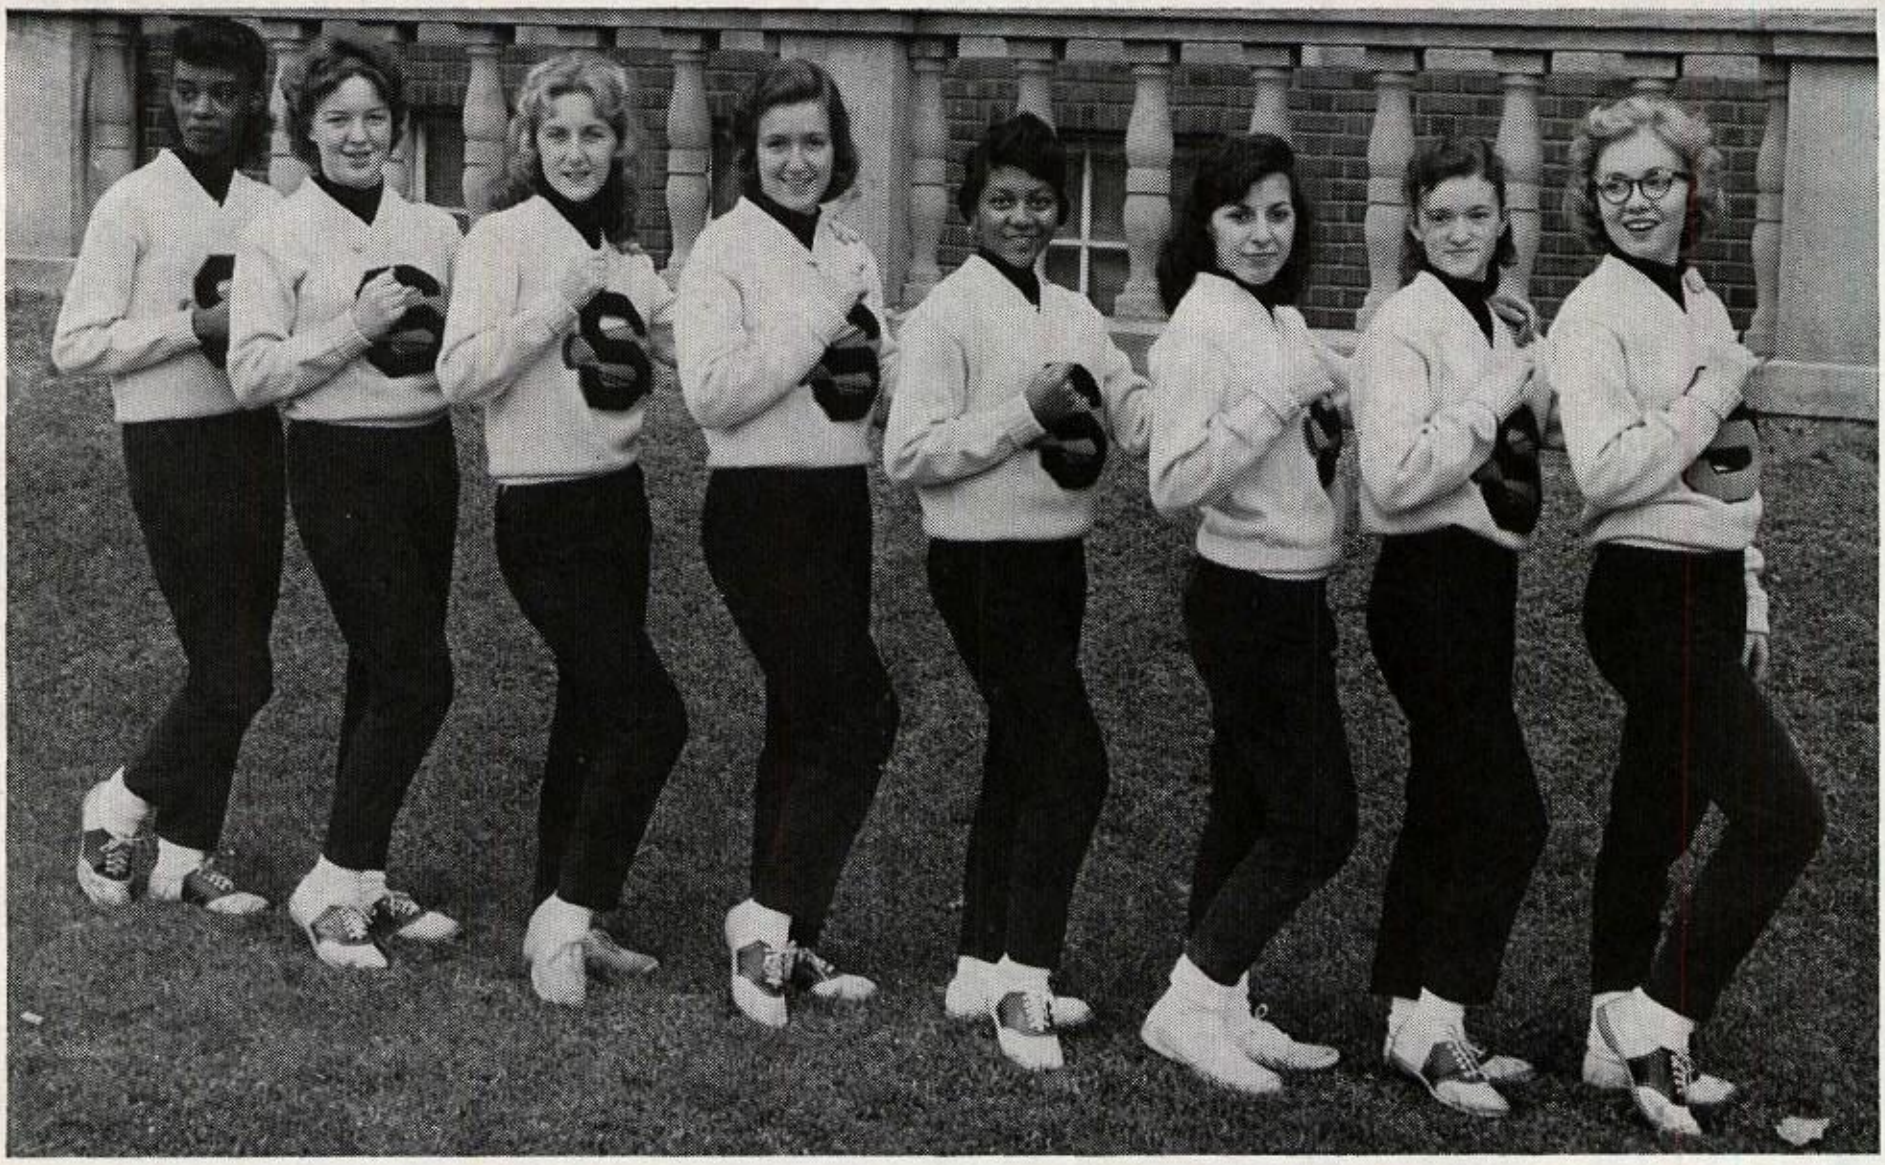
A straight line!

SPORTS

We dedicate the following section of the book to those boys and girls who have entered into athletics here at Soldan. These students not only participate in the games but also work toward better school spirit. This is that intangible something which adds zest to the school and which binds the school together. These students also show a great deal of loyalty which brings honor to them and also to the student body.

These boys and girls have learned the value of teamwork, the necessity of courage, and the rewards of good sportsmanship.

They have added to Soldan's proud name. In turn, we honor them in this SCRIP.



Holt, Preslar, Cole, Walsch, Carrothers, Anthonies, Ogle, McDonald.

Cheerleaders

Pretty as a picture!

Here at Soldan school spirit and cheerleaders are synonymous. The eight cheerleaders are present at football and basketball games and other sports to let our teams know that we are behind them all the way. They also cheer at aud sessions and generally promote school spirit.

In order to be a cheerleader the girls must be good citizens, loyal supporters of all athletic teams, have a "C" average, and have cheerleading ability. Each year when some of the girls graduate there are tryouts held in order to find other girls to take their places. After intensive training by the "old" cheerleaders in the fine art of cheering, jumping, etc., a tryout is held. The new cheerleaders are chosen and introduced in an aud session.

Miss Elvira Grundmann, the very capable sponsor of the cheerleaders, has completed her last year in this capacity. The cheerleaders wish to thank her for her guidance and help during the past three years.

SPRING CAPTAIN - - - Janice Walsch

Lettermen's Club

The Lettermen's Club was organized six years ago for the purpose of helping the school's athletic program. It is now under the sponsorship of Coach W. O. Sanders.

This season was one of action for the Lettermen. At the present they are making plans for a variety show in order to raise money for the traditional Athletic Banquet.

One of the chief functions of this organization is to instill in each member a feeling of pride in himself and his school. In the future it is hoped that this club will serve as a stimulus and will motivate more boys into coming out for sports of all kinds.

Good sportsmanship and good citizenship go hand in hand. To reach these ideals is the main goal of this club.

Football

In a pre-season auditorium session, Head Football Coach W. O. Sanders stated that this year's team, a senior squad, was the dream of every coach. This was to be "our year," and most appropriately, too, since this is our fiftieth anniversary.

As their first test of '58 the Tigers outscored Central in a non-league contest, 12-0. For our first league game we tied the fine Beaumont squad, 14-14. That very exciting game was tied up in the last few moments by Bob Corno. The other Soldan tally was on a 30 yd. pass from sophomore quarterback Wright to end Willis Crenshaw.

The Sumner Bulldogs were the next to meet defeat at the hands of our "dream team." For their biggest point total in thirteen years the boys trounced O'Fallon, 34-0. In the touchdown column were Corno and Brown, who scored two apiece, and Thomas Williams with one.

In the Southwest game all looked lost early in the first quarter when a Longhorn quick kick put the ball in our possession on our own one-yard line. The Tigers exploded with a short pass to Robert Brown from quarterback Henderson on the ten-yard line. In a beautiful run, Brown surprised Southwest and took the ball 90 yards for a touchdown.

The Hadley Golden Lions shattered our dreams of a perfect season with a 44-0 trouncing. After this overwhelming defeat the Tigers, still dazed, lost to McKinley, 19-0; and to Vashon, 7-6. This was a very disappointing end to one of our best seasons in several years.

Although we did not place anyone on the All-District team, four Tigers were honored in All-Public High positions. Those chosen were: William Cole, tackle; Charles Brown, guard; Robert Brown, halfback; and Willis Crenshaw, end. Other outstanding gridiron men were: Dan Mohrman, end; Jerry Henderson, quarterback; and Allyn Hinton, guard.

The 1958 co-captains were Jerry Henderson and William Cole. Earl Dela Roche again rolled up a fine defensive record as line coach.

The won-lost facts below do not show that Soldan was first in the league in first downs gained, third in passing, and fifth in defense.

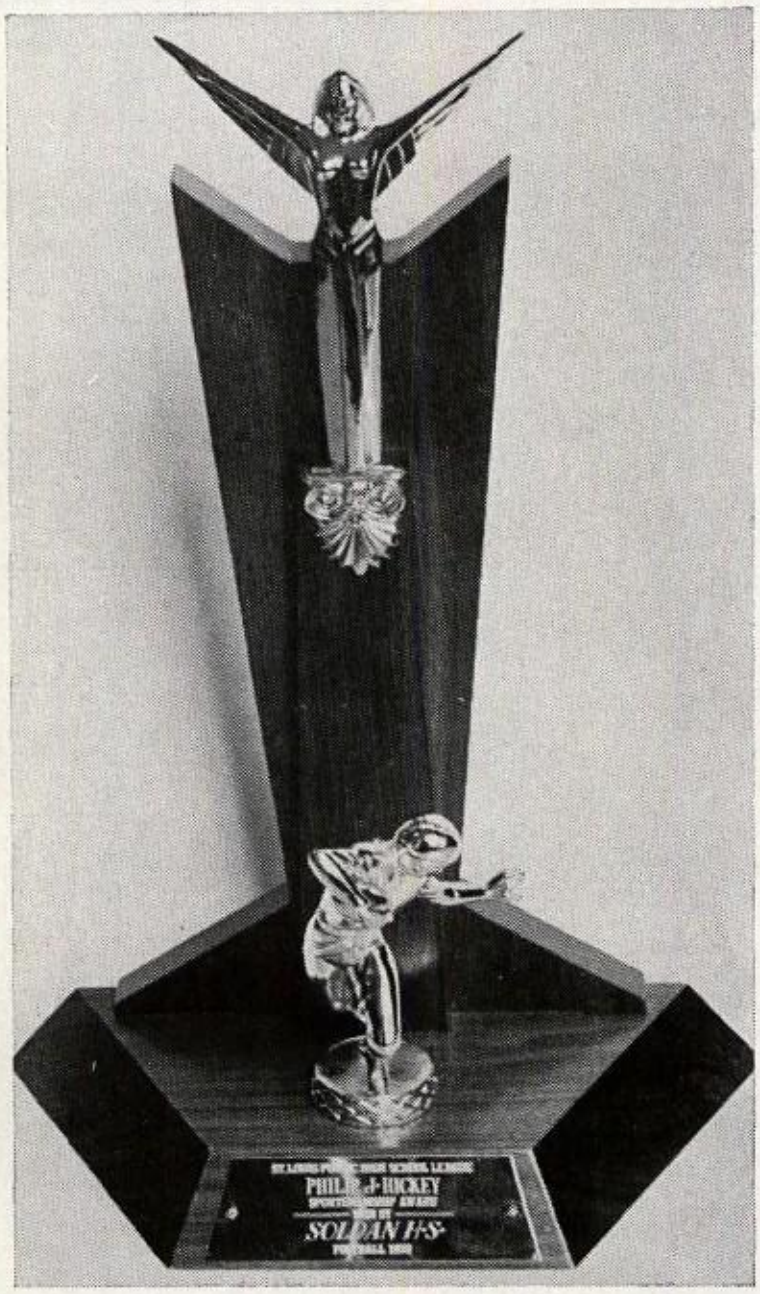
Athletic Awards



THE PHILLIP J. HICKEY SPORTSMANSHIP AWARD

This year a new trophy joined the ranks at Soldan. The Phillip J. Hickey Sportsmanship Award for Football was awarded to Soldan in December, 1958. It was presented in an auditorium session by Mr. Hickey, Superintendent of Instruction of the St. Louis Public Schools.

This award is based on the votes of all the schools played during the season. Before the season began, a Code of Sportsmanship was drawn up by representative students, coaches, and administrators of various schools in the area. This code set up standards for coaches, administrators, players, cheerleaders, and spectators. At the games each school was rated by its opponents in each of these five fields. Soldan's over-all average rating was 97.57, representing the judgment of all the schools we played.

TOM LOMBARDO AWARD

This award was begun by several of Tom Lombardo's classmates who felt that he should not be forgotten by the students of our high school. Tom, who graduated in 1941, was known as an outstanding athlete, scholar, soldier, and gentleman, and when he was killed in the Korean War, his friends honored him by subscribing money for a plaque which now hangs in the hall at Soldan. Each year a name is added to the plaque, honoring the boy who best lives up to the standards set by Tom as athlete, scholar, and gentleman. There are now ten names on this plaque.

As a football player here at Soldan, Tom was awarded the James M. Gould Trophy, which signifies the most valuable player in the St. Louis District. In 1944, Tom captained West Point's eleven to nine straight victories, and the Notre Dame Club twice honored him for his outstanding play.

Basketball

Soldan's basketball season was one with some few bright spots. Although the team only won four games out of fifteen, it consistently worried its opponents.

In the first game of the season, we were defeated by De Andreis with a score of 39-34. The second meeting was a victory for the Tigers, who avenged their earlier loss by earning 54 points over De Andreis' 46.

The Tigers realized their potentials by winning three out of their next four games. They defeated Southwest, De Andreis, and Central. The only loss of that series was to Beaumont, the Public High League Champions. In these games the team showed good organization and co-operative spirit. Many of the players scored in double figures.

In our final victory, the Bengals scored 67 points against Ferguson's 64. In this game 28 points were scored by Preston Vanderford, who was Soldan's leading scorer.

The '58-'59 season ended when Beaumont scored 70 points over our 24 points. This eliminated us from the State competition. Although we may be "down," we are not "out." There is always next year.

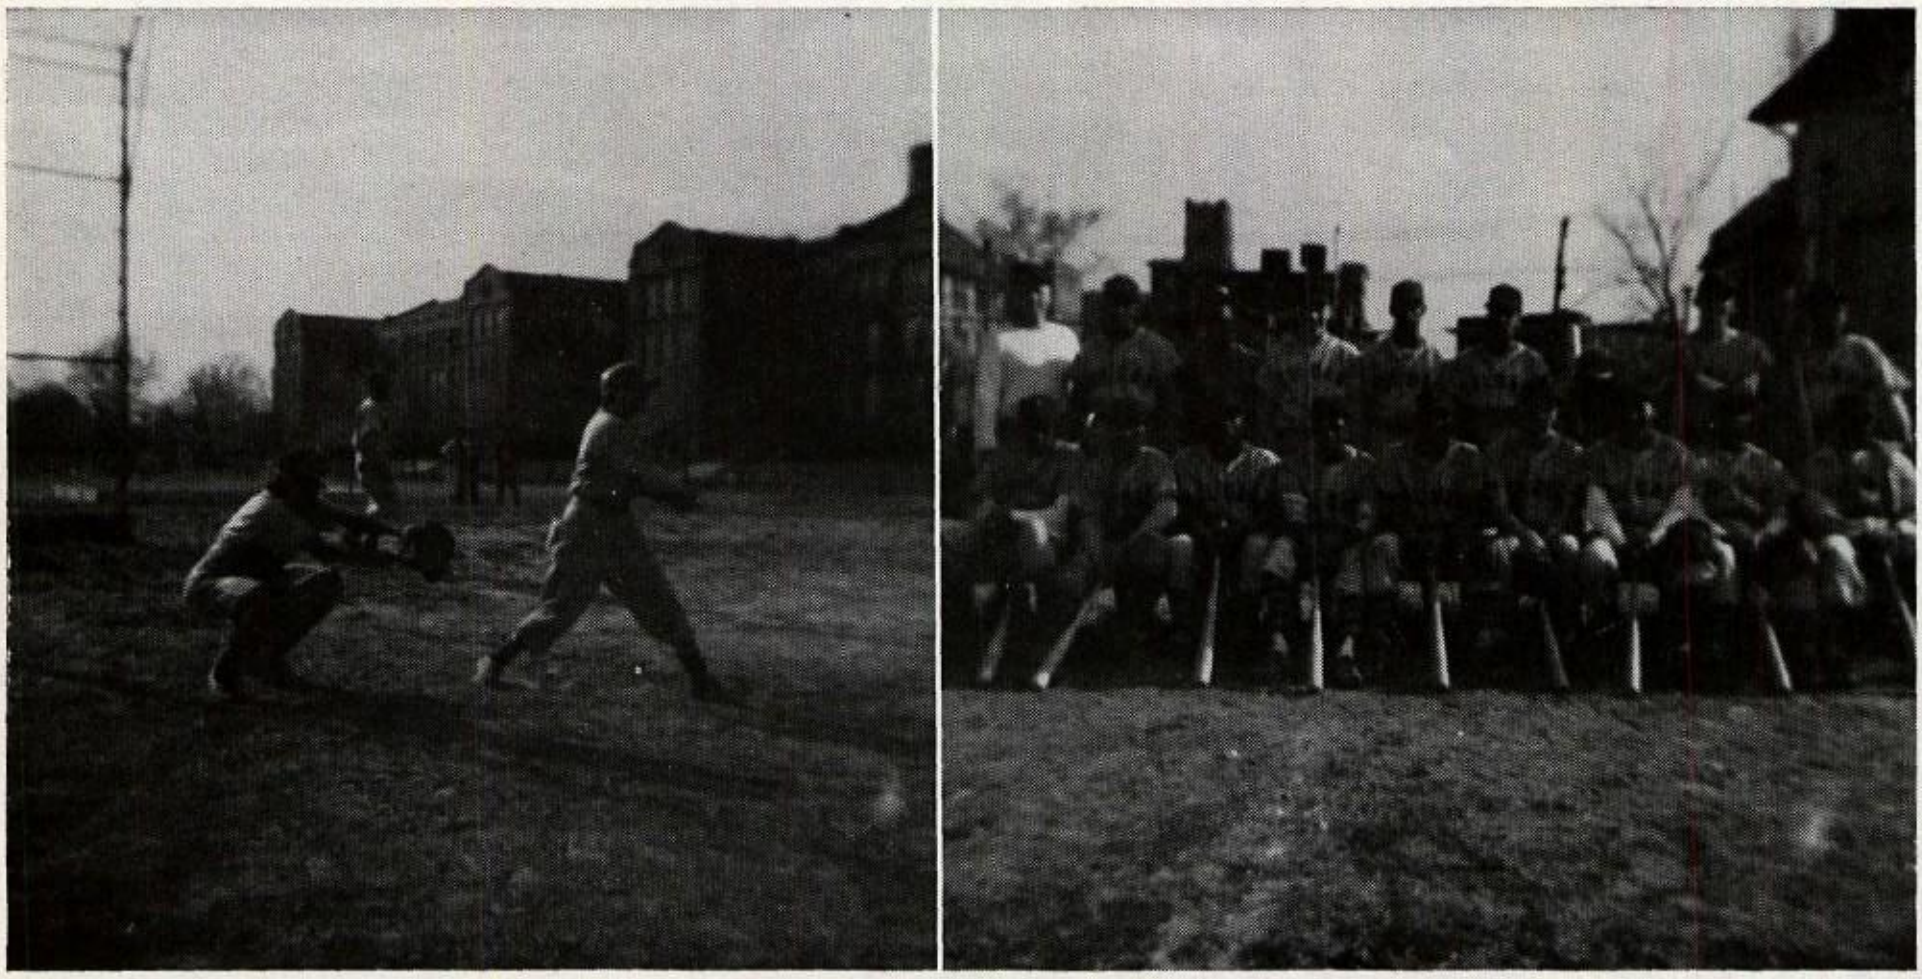
Baseball



The Tiger Baseball squad under Coach Arthur Gordon is in a rebuilding stage this year. As a result of having only three returning lettermen, sophomores and juniors will fill the ranks, thus gaining invaluable experience.

Returning lettermen Thurman Stevens, first base; Earl Dye, center field; and Jim Shirey, pitcher, will again hold down these positions. Newcomers Joe Hamilton, third base; Walter Beasley, shortstop; Frank Pickens, second base; and Paul Ecks, catcher, will constitute the infield. Co-Captain Earl Dye will receive help in the outfield from novices Donald Robinson in left field and Jim Kitrel in right field.

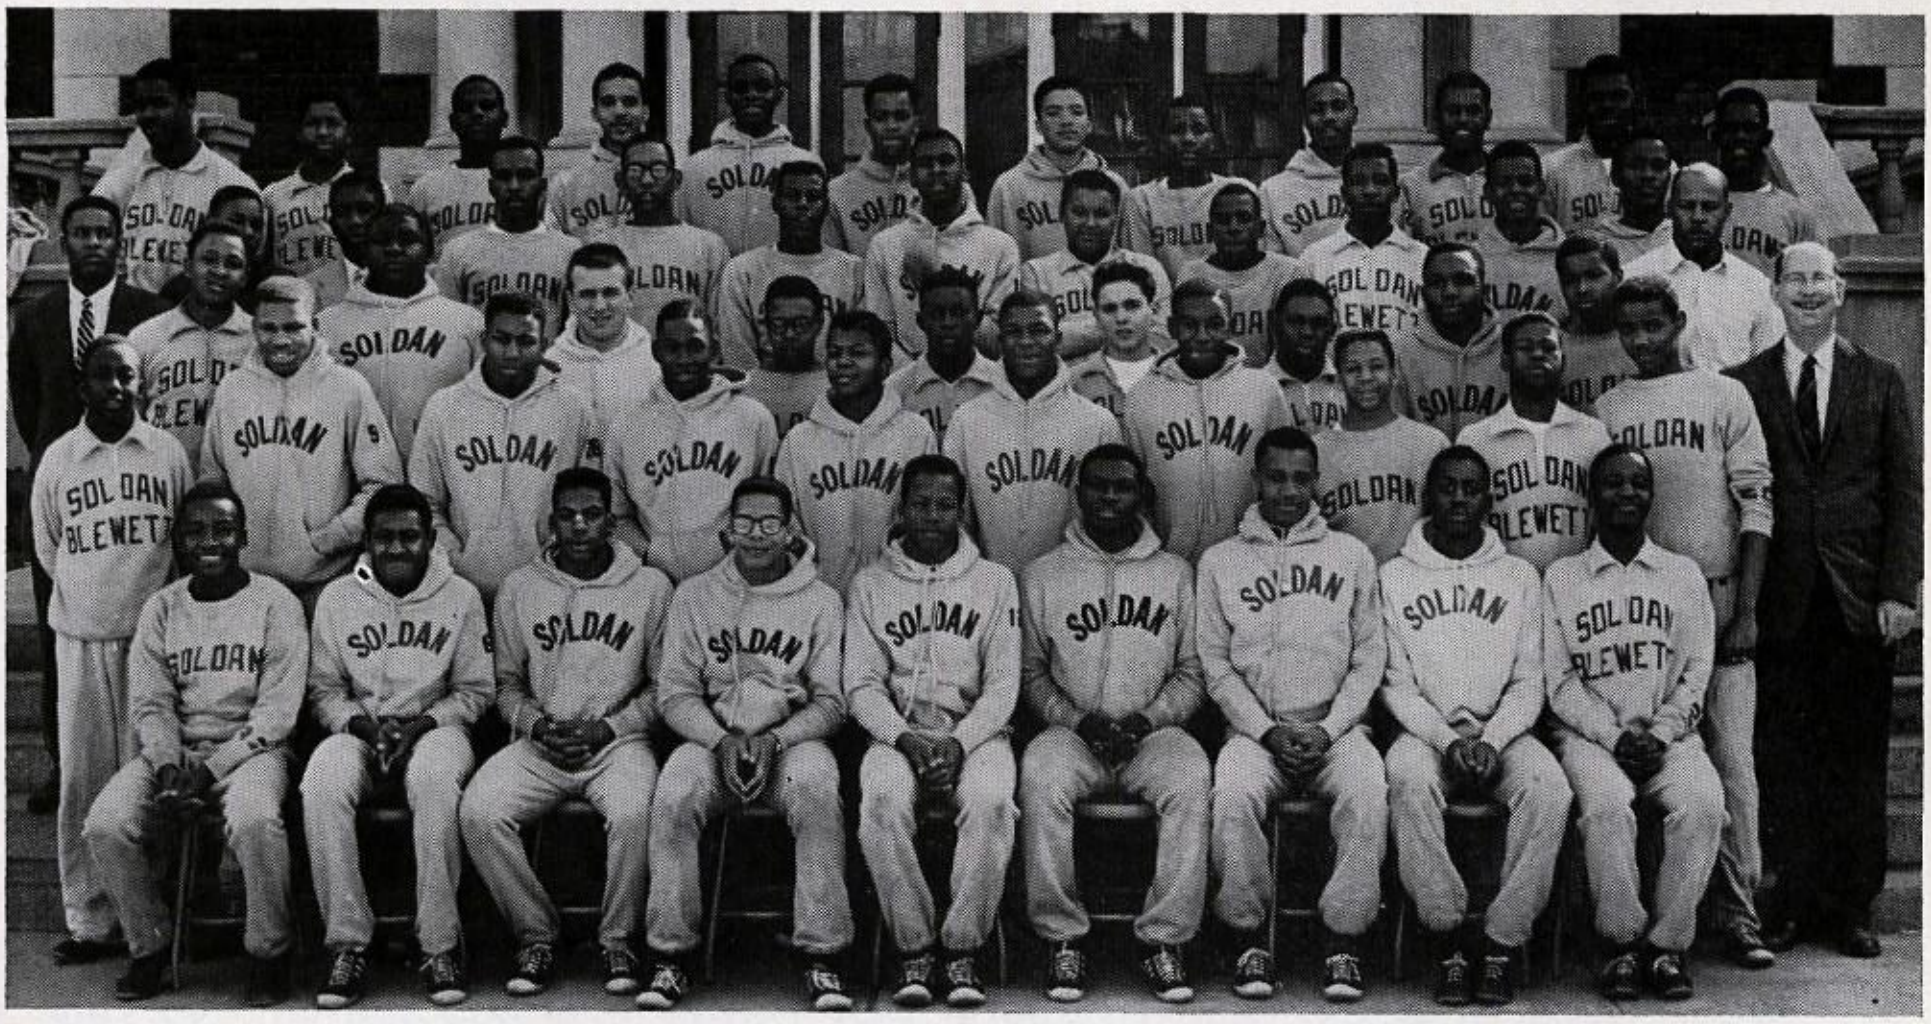
Our somewhat inexperienced but determined team dropped the season opener, a practice game, to always-tough Hadley Tech. 8-2. Next Lutheran jumped out to an early lead only to have the Tigers fight back to a 7-7 tie. A lapse in defense cost us the 10-7 ballgame.

After losing an extra-inning game to the O'Fallon Hornets, 10-5, the boys really "showed their stuff" by staying with an excellent Central team. The lead changed hands several times in the contest with the Redwings coming out on top, 7-5.

We compensated for this last disappointing loss with one win which brings the Tiger won-lost record to 1-4. Our only win, thus far, was over Sumner, 13-11. Second baseman Frank Pickens hit a grand slam home run in the fifth inning. Thurman Stevens was the winning pitcher.

Considering the rebuilding being done this year, Coach Gordon has great expectations for the remaining portion of this season and also for the seasons to come.

Track



FIRST ROW: Davis, Lewis, Sykes, Collier, Hornsby, Williams, Jackson, Jones, Robinson. SECOND ROW: Teasley, Lee, Long, Thompson, Alexander, Jones, Sisson, Waterford, Boxx, Ledbetter. THIRD ROW: Brooks, Daniels, Hinton, White, Gordon, Kikis, Wilkins, Johnson, Borden. FOURTH ROW: Mann, Hamilton, Ford, Moore, Hammons, Williams, Simmons, Davis, McKinnis, Tatum, Williams. FIFTH ROW: Harris, Wells, Byrd, Abernathy, McDowell, Herman, Blackwell, Page, Harris J., Jackson, Bohlen, Robinson.

The Soldan Track Squad of last year did exceptionally well after the publication of the REFLECTOR. In retrospect the Tigers showed their superiority over the Public League teams by tying for third in the State Outdoor Meet at Columbia. Kansas City Southwest and Kirkwood placed first and second, respectively, while our tie was with Ladue. Those trackmen who gained honors in the finals were: Willis Crenshaw, pole vault, tie for first (new Missouri state record); Leander Moore, high jump, third; Percy Brown, 880, third; 880 relay, second (Jackson, Thompson, Herndon, Williams). The 1958 team was the best produced here at Soldan in the last twenty-five years.

Coach Sanders and the boys this year have great expectations for the current season. After a disappointing Indoor State Meet, which was won by the Beaumont Blue Jackets, our Cindermen racked up five straight victories and are, to this writing, undefeated in dual meet competition.

The first to fall under the weight of the high scoring Cindermen were the Bulldogs of Sumner, in the first meet 63-62, and later in the season, 109-82. Next, as the tracksters gained almost every first and second, was Southwest, 130 2/3-54 1/3. As a warmup for the Maplewood Relays, we downed Central, 138-49. At Maplewood the team placed fourth in the AA division, with the following finalists: Walt Collier, high jump and pole vault, third and a tie for first, respectively; 440 and 880 relays, second (Hornsby, A. Jackson, Ford, W. Jackson); Henry Long, broad jump, third; Wendell Jackson, 100 yard dash, third. After this successful showing the Tigers trounced the Golden Lions of Hadley Tech., 111-83.

Wesley Hornsby seems to be the exceptional junior sprinter in the area and is, at present, undefeated in his specialties. Other prominent competitors are Charles Jones, senior hurdles; Albert Ledbetter, 440 dash; Herman Gary, 120 low hurdles; James Abernathy and John Lee, mile; Rich Daniels, shot put; Frazier Alexander, 880; and the senior 880 and 440 relays.

All in all, we have the makings of a top rate team which should finish very high in the state ratings.

TENNIS TEAM

FIRST ROW: Blank, Bleeckert, Applebaum. SECOND ROW: Franklin, Jenkins, Murray, Kimbrough.

CROSS-COUNTRY

FIRST ROW: Alexander, Hornsby, Kuykendall, Lee, Young. SECOND ROW: Evans, Williams, L., Williams, J., Jackson, Abernathy.

Tennis

The 1958 Soldan Tennis Team had a fairly successful season under the able leadership of Coach Harry White. In their first meet the Soldan "racqueteers" swamped O'Fallon 5-0. They continued their winning ways by defeating Sumner and Central by scores of 4-1. However, their luck did not hold out, as they lost to Beaumont and Cleveland. They returned to form against Roosevelt and McKinley, dropping the first 2-3 and winning the second by the same score. The final standing found the Tigers in fifth place in the P.H.L. with 18 won and 22 lost.

Ronald Bleeckert was chosen captain. Other returning lettermen were Marshall Applebaum and Bill Blank. New lettermen included Daniel Murray, first singles; Charles Kimbrough, second singles; Erwin Franklin and Adrian Jenkins in second doubles.

Cross-Country

Under the supervision of Coach Thorn Smith our cross-country team ended its second season tying Central and Southwest for sixth place in the P.H.L. of eleven schools. Although they fell slightly short of qualifying for the state meet, the Harriers ran over their old rival, McKinley, in addition to Roosevelt, Southwest, and O'Fallon. On the two mile Forest Park course, which cuts through six baseball fields, two football fields, a soccer field, a horse corral, and around a five-eighths mile lake, the team maintained a splendid four and two record for the greater part of the season, but allowed themselves to be defeated in all of their last four meets.

This year's lettermen are James Abernathy, John Lee, Frazier Alexander, Bob Kuykendall, Ron Lewis, Glennon Evans, and Marlyn Young. Other members are Wesley Hornsby, Joe Williams, Ed Kern, Wendell Jackson, and LeRoy Williams.

Swimming

The Soldan Swim Team concluded another winning season under the capable guidance of veteran Coach Thorn Smith. The Tigers' 5-4-0 Public High League record placed them fifth in the final league standings. The mermen also placed fifth in the P.H.L. Relay Championships.

In the Relay Meet, Soldan's only first place went to the 200 yd. medley relay team composed of Kern, Allison, Brown, and Kahn. The 200 yd. free-style relay team of Collier, Brown, Kern, and Kahn placed third, while Kuykendall, Allison, Dansker, and Murray won fourth place in the 400 yd. medley relay. Roosevelt High, this year's P.H.L. champions, succeeded in breaking Soldan's 400 yd. backstroke relay record in the same meet.

The 1958-'59 Lettermen are: James Allison, 100 yd. breaststroke; Charles Brown, 120 yd. individual medley; Walter Collier, diving; Steve Dansker, 100 yd. butterfly; Dan Kahn, 200 yd. free style; Captain Ed Kern, 100 yd. backstroke; and Dan Murray, 100 yd. free style. Outstanding non-lettermen were Alex Belamiza and Robert Kuykendall.

Thorn Smith, head of many successful teams at Soldan, retired as swimming coach at the close of the 1958-'59 season. He will, however, continue with his other activities at school. The Soldan swimmers, on behalf of the entire student body, extend their best wishes!

Girls Athletic Association

TENNIS - BADMINTON CLUB

The Girls' Athletic Association or G.A.A. was organized in 1910 by Miss Pohls. Thus it is one of the oldest clubs at Soldan. It is now sponsored by Miss Valena Broussard and Mrs. Joy Miller.

G.A.A. enables interested girls to participate in various sports and to learn better the regulations of the games played in the gym classes. The club itself teaches leadership, sportsmanship, and teamwork.

There are many activities sponsored by this organization. Among them are the Cake and Coke Sale, and the Faculty-Student games.

Goals to be reached in G.A.A. are to letter or be awarded a pin. In order to obtain a small pin, a girl must earn 750 points. 1250 points plus 100 service points are required before a large letter is awarded. The highest award that the G.A.A. bestows is given to term 8 girls only. Before receiving this

Girls Athletic Association

honor, a girl must have to her credit 8 full terms of active membership in the club and 100 service points earned during the senior year.

The Officials Club, another function of G.A.A., is composed of girls who wish to learn how to referee various sports. The girls meet every Tuesday evening after school and both oral and written tests are given. When the written test is passed, a chevron is awarded.

The most important function of this club is to furnish referees for the various sports, but it, too, teaches good sportsmanship and teamwork.

A new addition to G.A.A. is the Tumbling Club. It is under the sponsorship of Mrs. Joy Miller. The girls meet every Monday after school. Here they are trained in tumbling and the use of apparatus.

ACTIVITIES

The following section of the book is devoted to the clubs and organizations here at Soldan. These are a very important part of our school life. They provide a well-rounded program for every student. In these extra-curricular activities the student can explore entirely new fields, or he can add new ideas to those which he has already acquired.

There are clubs to fit almost every student's desires. They range from music and drama to science and chess. Since these clubs comprise such an important segment of Soldan's life, we present them in this section of the SCRIP.

Student Council

Student Council

"We, the students of Soldan High School, in order to provide experiences and to secure the benefits of training in good citizenship; to encourage the spirit of co-operation; to strengthen our loyalty to the ideals of our motto; and to promote the general welfare of our school, do hereby establish a student council for Soldan High School." So reads the constitution of our Student Council.

The Council itself is an elected group which represents the student body. Members are selected by the students through their advisories. Each advisory elects one representative, and one alternate to serve in case of the representative's absence.

The president and vice-president are elected by the complete student body. The executive committee serves as the nominating committee and prepares a slate of several students for the positions. After being cleared by the office, the students running for these posts carry on campaigns which are climaxed in an aud session with speeches by the candidates. The other officers are elected in the council itself. The representatives are assigned to committees where the real work of the council is done.

During the past year the council sponsored various activities such as a St. Patrick's Day dance, several aud. sessions (one of which was on fire prevention), and the selling of the "Informer." The council also planned special activities in accordance with our fiftieth anniversary. Among these is a Student Council trip, a student of the year, and in conjunction with the Lettermen's Club, a track queen.

Although the council is run by the students themselves, credit should be given to Mr. Gummersheimer for his guidance as sponsor of this organization.

Dear Sir . . .

Big Five

Scrip

General Staff

Frazier Alexander, Mabel Bannister, Gunta Berzlapa, Joan Blache, Barbara Brickey, Kenneth Brodzinski, Betty Brooks, Craig Brown, Shirley Burkheart, Richard Casey, John aniels, Ray earin, Paul Ecks, Goldie Farer, Cassandra Flipper, Judy Friedman, James Gordon, Delores Gresham, Allyn Hinton, Barry Horwitz, Louis Houlle, Nancy Hubbard, Jill Jacobus, Bruce Joiner, Paul Kirk, Steve Lunsford, Eugene McGillis, Birdie McKee, Maria Negas, Cleveland Ogle, Mary Ellen Ogle, Carolyn Preslar, Charles Preslar, Harriet Radunsky, Bruce Rutlin, Margo Ryales, Roy Ryales, Jimmie Samples, Joyce Shepherd, Jim Shirey, Douglas Sprouse, Carsandra Stallworth, Minetta Turner.

In 1959 SCRIP has revived many ideas used in previous editions. First we chose to use the former name of our yearbook in commemoration of the Fiftieth Anniversary. We used a reproduction of the first cover which displays our school motto. Also in honor of our anniversary, a history was compiled and written, and historical pictures were assembled. Thus we have tried to paint a true picture of Soldan.

SCRIP was first published in June of 1910. Just a small book with paper covers, it was a most valuable contribution to the life of the school. The yearbook and newspaper were named in an auditorium session by Mr. John Rush Powell. He quoted from Shakespeare's AS YOU LIKE IT, "Not with bag and baggage but with SCRIP and SCRIPPAGE." These two names were used until the 1948 Soldan-Blewett merger. Then the names were changed and SCRIP became REFLECTOR.

The publishing of a yearbook is a difficult and never-ending task. Pictures are taken and then identified and placed in the "dummy." After senior pictures are taken, they are arranged in the proper order and sent to the engraver. The copy for these is then gathered and typed. The articles are written and proofread; they are then sent to the printer. The campaign is begun and subscriptions are taken. Now the work is almost at its culmination.

This year many Soldanians have worked on the yearbook behind the scenes. So, with the gratitude to these and deep thanks to our co-sponsors, Miss Grundmann and Mr. Gasslander, we present to you the 1959 SCRIP.

FALL TERM STAFF

Steve Dansker, Phillip Gellman, Sandra Hall, Cathy Leone, Dan Mohrman, Sandra Palmer.

CUBS

Birdie McKee, Jimmie Samples, Winifred Scott, Minetta Turner, Audrey Watson.

SPOTLIGHT is the school newspaper at Soldan. Under the sponsorship of Miss Wynn, the students work diligently to develop skill at writing and planning a newspaper. This paper serves as the "eyes and ears" of the school, as an outlet for students' opinions, and as coverage for as many phases of school life as possible.

The staff is composed of students who are interested in journalism and who have a "B" average in English. A student who wishes to join this important organization must be a term five or above. Members are selected on the basis of scholarship and citizenship. They are taught the essentials of good reporting, such as keen observation, accuracy, loyalty, thoroughness, promptness, dependability, friendliness, and courtesy.

The staff and cubs form the journalism class that publishes the paper. Actual publication is the responsibility of the staff. The cubs are trained by the sponsor and the

members of the staff. This training will enable the "cubs" to take over the responsibilities of publishing the paper during the next term. Cubs serve as reporters, learn the mechanics of journalism, and help compose the articles.

Classroom procedure is conducted as far as possible as a miniature newspaper office. Textbook assignments are made, reporters seek interviews, and each year the members visit a large city newspaper where they see journalism in action.

A special golden anniversary issue of the paper was published this year and was titled SCRIPPAGE, which was the Soldan paper until 1948.

The paper's name SPOTLIGHT originated in 1948 when the school became Soldan-Blewett. Through the years SPOTLIGHT has won many honors which indicate the high merit of this publication.

Service Club

The Service Club is one of the oldest and strongest clubs at Soldan. Under the sponsorship of Miss Blanche Higgins, it is composed of students who wish to contribute their unassigned periods to serving the school. Through the united efforts of these students in such jobs as messengers, guards of corridors and locker rooms, gym helpers, file clerks, lunchroom helpers, assistants to the nurse and doctor, typists, and in special capacities as projectionists and library workers, our school is more smoothly run.

A student who wishes to join this club must meet certain requirements. He must be a term two or above with a satisfactory school record. Because study hall time is used, the student must be able to retain this record without those study periods.

Members develop a sense of responsibility, a desire to serve, and a sense of personal satisfaction in having contributed their time and energy to their teachers and fellow students.

The services rendered by this club are highly appreciated by the faculty and student body. A special award is given to seniors who have served in this club for three terms or more. This club can truly be called a most indispensable organization at Soldan.

Yes???

What's it say?

FIRST ROW: Casey, Faist, Murray, Moore, Kikis, Ryales, Bleeckert. SECOND ROW: Kahn, Weathersby, Blackmon, Katzman, Radunsky, Hohlt, Evans, Holley. THIRD ROW: Houlle, Joiner, Hinton, Going, Sexton, Page, Harris. FOURTH ROW: Taylor, Kern, Smith, Kruse.

Projectionist Club

Turn the switch!

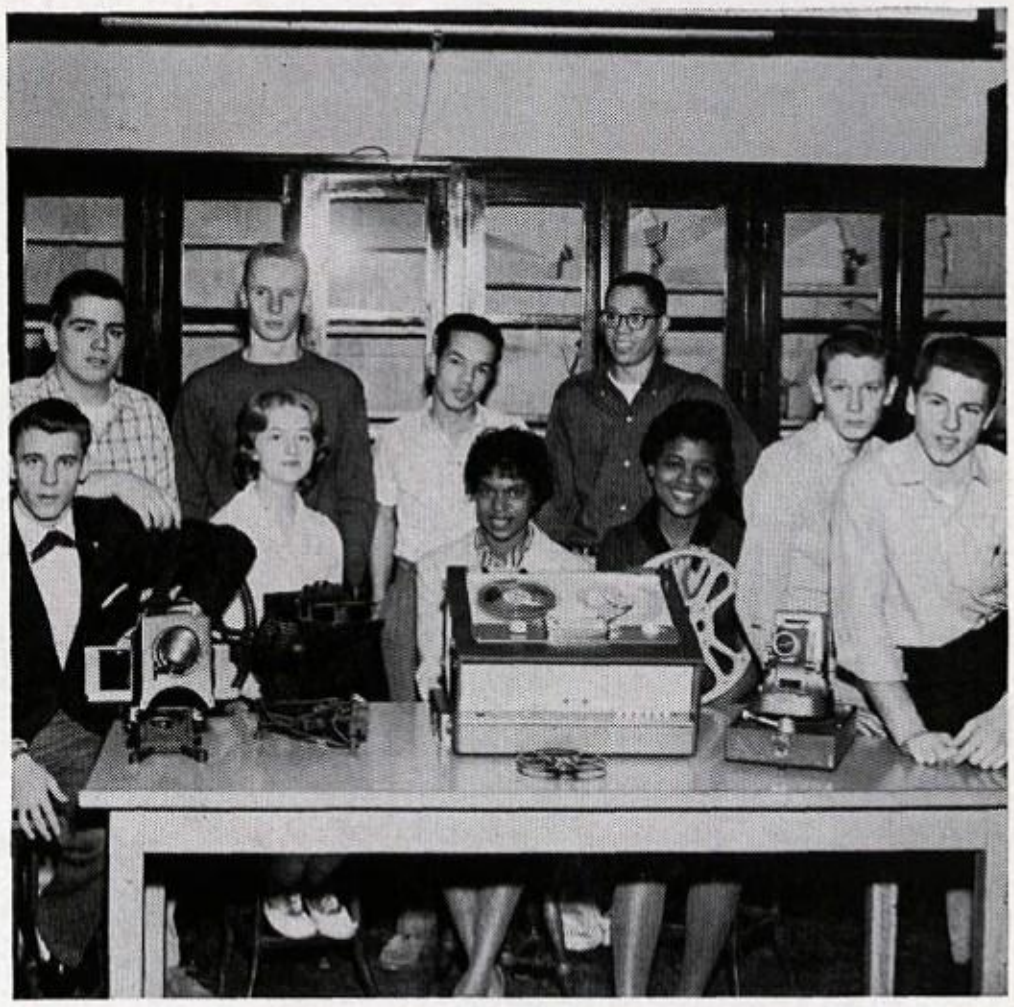
The Projectionist Club is a branch of the Service Club which consists of students who are capable of operating all types of school equipment, including movie, film strip, lantern, slide, and opaque projectors, and the public address system in the auditorium. When a new student becomes a member of this organization, he is taught these various skills by an experienced projectionist.

Since most of the work of the projectionists is accomplished during school hours, it is necessary that only select students become members. The student wishing to join must

Projectionist Club

be a term two or above, maintain at least a "C" average, and have the approval of Mr. Carl Landis, who sponsors this valuable organization.

The club is unusual in that it composes its own advisory. This advisory meeting is necessary because it is there that assignments for the day are distributed. Students are given various tasks which they must accomplish during study periods. This work is quite important because it is closely related to many outstanding activities at Soldan.



All Set!

FIRST ROW: Kruse, Faist, Ryales, Casey, Moore, Kikis, Weathersby, Bleeckert. SECOND ROW: Hohlt, Going, Harris, Taylor, Kern, Page. THIRD ROW: Belamiza, Evans, Holley, Joiner, Hinton, Kahn, Horwitz.

THIRD ROW: Virgin, Brenizer, Burkheart, Berzlapa, Holley, Mohrman, Roberts, Pratt, Brown, Holt, Simmons, Myers, Warfield, Gleghorn, Hicks, Brown.

Pep Club

The girls you see selling Soldan pencils, decals, tigers, and pennants are members of our Pep Club. Each term the freshmen girls are introduced to the club at the "annual Freshman party." The time is spent learning the school cheers, dancing, and enjoying refreshments.

This year something has been added. A tiger suit worn by one of the girls added a new and different note at the games. The Soldan Tiger joined in with the cheerleaders and helped school spirit. The tiger suit used was designed and made by Pep Club girls.

The Pep Club girls are expected to attend games, enthusiastically support the cheerleaders, and generally promote school spirit.

Pep Club is open to girls of every term. Meetings are held in room 130 after school on alternate Thursdays, under the sponsorship of Mrs. Sadie McCoy.

1 and 2 and 3

If you walk along the third floor corridor, you'll find an unusual and pleasant atmosphere. The notes that float through the air come from "Mother Thym's music family." These students work hard on their music, but admit with zest that singing is fun.

In General Music the Freshmen are introduced to the fundamentals of music. From the beginners' music they may pass to more advanced groups. One of these is Mixed Chorus where they strive for better harmony.

Boys' Glee Club is offered for the masculine crooners of the school. The boys have appeared in many programs.

Junior and Senior Girls' Glee are anticipated by the girls. In Junior Glee the girls become more proficient in part singing and may hope

Senior Girls Glee

for advancement to Senior Glee. This consists of girls with more mature voices. By singing before audiences they also gain experience.

The apex in the hopes of every Soldan music student is A Cappella Choir. During the Christmas season it is not unusual to hear the choir on the radio or see them on television. They participate in the Class Day Program, Commencement Exercises, and also annual Christmas Caroling at the Merchant's Exchange and Union Station.

All in all, the music students strive not only for musical harmony but also for social harmony, which they hope will help them in their future lives.

"With a song in my heart."

General Music

Vocal Music

The slogan for the vocal music department here at Soldan is "Music for all, all for music." This is shown by the six different groups in which students may participate.

The latest organized are General Music and Vocal Ensemble for both boys and girls. The Ensemble as it was first begun was an unorganized group and later developed into A Cappella Choir. This choir which was organized in 1942 is the best known singing group at Soldan.

Junior Girls' Glee or Junior Chaminade was organized in 1928. This is still one of the present-day singing groups. Boys' Glee, started in the year 1911, is the second oldest music group at Soldan.

In the very first year Senior Chaminade or Senior Girls' Glee was begun. It was named after Madame Chaminade, the first woman to be recognized in the musical field.

Our music room 300 is one of the best equipped and built music rooms in existence today. It was remodeled in 1948 and has many modern features which are quite valuable in the work done there.

Music to learn by!

Feel that!

Senior Band

Under the experienced direction of Mr. Stanley Henderson, the instrumental music department offers four levels of band training.

First is beginning band which affords an opportunity for all students who have had no previous training in instrumental music.

Second is Intermediate Band, offering training for those pupils who have had at least one semester in band work. The next step is Advanced Band open to all who have had one year of training and are able to read basic band literature.

Finally, there is the Senior Band consisting of the most capable players in Soldan. This group provides music for all major events in the school such as concerts, auditorium sessions, sports events, etc. The Senior Band marched in the May Day Parade and the Clean-Up Parade this spring. In the latter

FIRST ROW: Cole, Sanders, Smith, Trevillion. SECOND ROW: Foster, Johnson, Raymond.

Orchestra

they marched in various formations, thus appearing at their best for Soldan.

In addition to these four groups there is a string class for all pupils interested in violin, viola, cello, and bass violin. Most of the students in this class are members of the All City Orchestra.

During the past three years a concentrated drive for funds to purchase new uniforms for the Senior Band has been in progress. With the aid of the Mothers' Club, a school-sponsored concert, sale of candy, and a variety of other projects, a sufficient sum of money was raised and the uniforms were purchased. The band played at the pageant celebrating the Golden Anniversary of Soldan's founding. This was the first official showing of the smart new uniforms, and they were much admired by all who saw them.

Dramatic Guild

FIRST ROW: Smithmier, Scott, Beard, Quick, Lang, Ogle, O'Dell, Franklan, Palmer. SECOND ROW: Harper, Robinson, Hendrix, Virgin, Russell, Whitlock, Warfield, Berzlapa, Applebaum. THIRD ROW: Sper, McPhail, Eldridge, Rutlin, Daniels, Jacobus, Price, Warfield, Ledell, Brown.

Dramatic Guild

Dramatic Guild, one of the oldest organizations at Soldan, meets on alternate Wednesdays, usually in room 214, under the sponsorship of Miss Lucas. The club offers interested students experience in acting and other phases of the theatre.

The highlight of the year for the Guild is the annual production. Last fall the Guild, in commemoration of the Fiftieth Anniversary, presented "The Taming of the Shrew" by William Shakespeare. A matinee performance was given November twentieth and an evening performance November twenty-first. Miss Lucas and the cast received many compliments from those who attended.

The play is the story of Katherine, the eldest daughter of old Baptista of Padua. She is known far and wide as the most shrewish of women. This makes life miserable for her younger sister, Bianca, who could marry any one of three ardent suitors. But according to custom, she cannot wed until Kate marries, and all men are wary of such a shrew. Then the gallant Petruchio comes to Padua and decides to woo Katherine. He courts her roughly by lovingly and wins her hand. Bianca is then secretly married and to the amazement of all Kate and Petruchio are wed, and we discover that he has tamed the shrew.

The play was produced completely by the Guild and was directed by Miss Lucas. The sets were made by members of the Guild, and a cyclorama curtain and a painted seascape were used as backdrops, thus producing an unusual effect.

Human Relations Club

FIRST ROW: Austin, O'Neal, Friedman, Flipper, Moore, Jackson, Holly, Scott, McLean, Roberts, Russell, Buckner. SECOND ROW: Dean, Barney, Myers, Gregory, Hayes, Robinson, Williamson, Collier, Wilson, Blackmon, Heard. THIRD ROW: Robinson, Ryales, Wilkins, Reed, Betts, Taylor, Ballentine, Williams, Cole, Farfield, Frazier, Steele. FOURTH ROW: Kohlman, Brown, Bohlen, Washington, Montgomery, Carter, Ryales, Evans, Conley, Gleghorn, Walls. FIFTH ROW: White, Moody, Smith, Gooden, Saffold, Surratt, Kohlman, M., Whittaker, Houston. SIXTH ROW: Ledbetter, Rice, Brooks, Hicks, Whitlock, Harris, Hall, Banister.

Working Together

Listed prominently among the extra-curricular activities at Soldan is the Human Relations Club, sponsored jointly by Mrs. Sidner and Miss Pauls. As the name implies, this group is concerned with promoting better understanding among people of all backgrounds. At the meetings held on alternate Wednesdays, the members enjoy interesting and informative programs planned by the steering committee, which is composed of students of various terms.

Each year a city-wide Intergroup Youth Conference is held during Brotherhood Week at Soldan, and from October through May, Intergroup Youth meetings are held at the Student Center on the campus of Washington University on Saturdays. Several of the members attend these meetings. Around Christmas the members can also be found filling stockings for the Red Cross, an annual event.

A very interesting, fun-filled year of activities comes to an end with a picnic in Forest Park, held in the Spring term.

Tutoring Club

The Tutoring Club is one of the most important organizations to those who need assistance in their school work. The club is designed to aid students with difficult studies and to teach subjects not offered in the regular curriculum. It is composed of students who render their services to help others gain the understanding they need to succeed in their studies. Miss Mary Wentker from Webster College and Mr. Ray Einig from St. Louis University, who are student teachers, have also given their assistance this year.

Mrs. Sidner, who is the club's sponsor, instructed a class in income tax computation. Several of the students who attended this class participated in the Income Tax Quiz sponsored by KETC, Channel Nine. One of these students placed fourth in the finals.

Radio Production

Radio production is one of the most unusual classes at Soldan. Under the direction of Miss Gertrude Lucas, the students prepare scripts, study radio plays and techniques, and participate in simulated broadcasts.

Aside from the educational value of this course, it develops poise and self-confidence in the participants. Usually the class presents a broadcast on KSLH. Sometimes they go on a field trip to Radio Park KXOK, where they see the principles of radio in action.

Membership in this class is limited. Anyone who wishes to take this course must have satisfactory grades in English, and should be a term five or above. The students enjoy participation in this activity and learn a great deal about all phases of radio work.

TUTORING CLUB

FIRST ROW: Horwitz, Levy, Bley, Hughes, Hayes, Gibson, Hammon. SECOND ROW: Miss Wentker, Flipper, Crosier, Ryales, Rice. THIRD ROW: Houlle, Higgins, McDowell, Edmiston.

RADIO PRODUCTION

FIRST ROW: Brockmiller, Anthonies, Barbour, Johnson, Harper, Simmons, Moore. SECOND ROW: Bosslet, Davidson, Brown, Pollack, Mason, Reed, Wilson. THIRD ROW: Merchant, Jackson, Vanderford, Bradzinski, Canada, Corno, Applebaum, Connell.

French Club

FRENCH CLUB

FIRST ROW: Copher, Hollowell, Blackmon, Kikis, Radunsky, Wilson. SECOND ROW: Hardy, Evans, Scott, Ho, Turner, Williams. THIRD ROW: Goodwin, Brown, Washington, Going, Johnson, Hall.

For the past ten years Fleur-de-Lis, or the French Club, has been an organization at Soldan. Under the sponsorship of Mrs. Rothman, the members meet on even Wednesdays after school in room 218.

The members enjoy activities for which there is little or no time in the class. The students become better acquainted with France and its people through activities such as movies, songs, records, tape-recordings, and reports.

A party is held at the end of the Fall term, and a picnic in Forest Park at the end of the Spring term. All who are interested in France, its people, its customs, and its language are welcome to join this club.

The Spanish Circle needs no explanation as it is exactly what its title implies. It is a club for students who wish to learn more about the Spanish-speaking peoples. The club is not limited to those students taking Spanish: it is open to everyone. The meetings are held on the first Tuesday of each month in room 329 under the sponsorship of Mr. Robert Jaegar. Entertainment is provided in the form of games, speakers, movies, parties, and lectures. The dues are twenty-five cents each term, and new officers are elected each term.

Chess Club

The Chess Club is under the sponsorship of Mr. Carter. Its members meet in the school library every other Wednesday after school. New opponents are played at each meeting, thereby giving the members an opportunity to revelop their skills. Chess lessons are also given during the meetings. The game itself requires a high degree of concentration, which must be acquired, but the rules are not too difficult to learn.

This year, for the first time in many years, the Soldan Chess Club competed in tournaments with other schools. It is hoped that this practice will continue.

Library Staff

Among our many available services are the "Dewey Decimals" commonly known as the library staff. Headed efficiently by Mrs. Walker, the library is run smoothly with the help of the many service workers who so willingly contribute their time and efforts. Aside from their daily duties of checking the books in and out, shelving materials, and reporting attendance to the study halls, the library staff plans special exhibits, encourages reading, and gives aid to both teachers and students.

The library has many special features to attract readers such as the YOUNG ADULT TITLES section, which has become very popular.

CHESS CLUB

FIRST ROW: Hayes, Roberts, Waters, Kirk, Dansker, Ritser. SECOND ROW: Warren, Kruse, Phillips, Alexander, Shirey, Stevens, Mr. Carter.

LIBRARY

FIRST ROW: Cooper, Trotter, Williams, Bogan, Hornsby, Rice, Simmons, Collins, Lang. SECOND ROW: Trudo, Pettigrew, Medley, Flipper, Friedman, Wright, Woods, Collier, Mrs. Walker, James, Brown, McPhail, Thompson, Turner, Carrothers, Bryant, Scego.

Dramatics Class

FIRST ROW: Dearin, Anthonies, Lang, Cooper, Clark, McGinnis, Dandridge. SECOND ROW: Steele, Thompson, Draper, Barbour, Herndon, Mennies, Austin. THIRD ROW: Kendall, Rockwell, Daniels, Fischbach, Eldridge, Evans, Fleming, Ford. Not pictured, Green.

"All the world's a stage, and all the men and women merely players: They have their exits and their entrances and one man in his time plays many parts."

The Dramatics Class, under the instruction of Miss Gertrude Lucas, meets every day in room 214. It is open to students term six or above who are interested in learning about the field of dramatics.

In the class the students study the history of the drama, the play and its structure, lighting and stagecraft, the principles of acting, training the voice, pantomime, characterization, play production, make-up, writing, motion picture drama, and other phases of the theatre.

They give special reports on subjects of drama in which they are particularly interested. They may choose actors and actresses, set designers, dramatists, theatres, drama in other parts of the world, or related fields. The students also read plays in class and act out various parts or pantomimes.

The Dramatics Class this term did research on the history for the Fiftieth Anniversary Pageant which was held on May fourteenth and fifteenth. Members of the class also participated in the Symbolic Episode which opened the pageant.

Science and Math Club

The Science and Math Club, under the joint sponsorship of Mr. Herman P. Bailey and Mr. C. C. Landis, is the gathering place for all students with experimental spirit and questioning minds. Here have been demonstrated such branches of the physical and natural sciences as radio-electronics, astronomy, chemistry, nuclear physics, and biology. In addition, field trips have been made to such places as the Cyclotron on the Washington University Campus, the Granite City Steel Mill, and the 1958 Greater St. Louis Science Fair. The group also encourages individual experimentation and projects by aiding the students financially.

The qualifications for membership are curiosity, an avid interest in science or mathematics, and a "C" average in either of these subjects.

Radio Production

Through the years Radio Production has been an active Soldan organization. Many Christmas programs have been given by this class, and members have participated in different skits and plays.

"Macbeth" was presented for different English classes. The version of Shakespeare's play which included sound effects added to the enjoyment of studying the play itself.

Scripts are often written by the class and are presented on radio stations or for the school in auditorium sessions or special programs.

One script written in the class several years ago was cited by the National Education Association and was given by the class on radio. The class has represented Soldan well.

RADIO PRODUCTION

FIRST ROW: Mason, Reed, Donnell, Moore. SECOND ROW: Whitfield, Brodzinski, Montgomery, Peoples, Gilbert, Scaife. THIRD ROW: Dockett, Wright, Johnson, Johnson, Nichols, Murray.

Not pictured: Kaelin, Jones, Payne, Struttman.

SCIENCE AND MATH
